

# Shark Cage Snorkel Tour

**View Sharks from the cage or from the Boat**

See the beauty and splendor of Hawaii's Sharks as they rise from the depths to greet you. This thrilling experience the first and finest in Hawaii, will profoundly affect your feelings towards Sharks, as you join them three miles out of sea off Oahu's beautiful North Shore

## **The Tour**

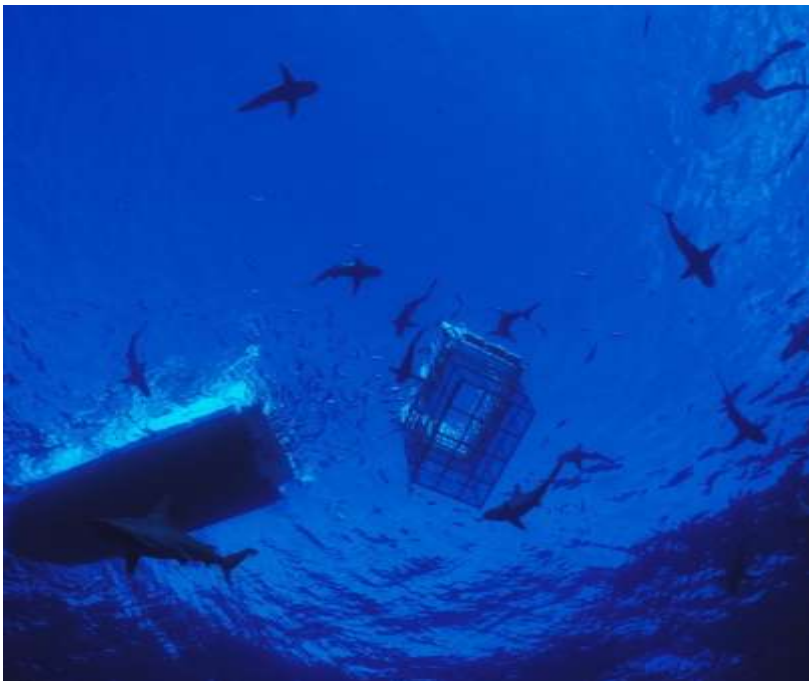

The first tour leaves Haleiwa Harbor at 7:00 a.m. and lasts two hours. Additional tours are available every 2 hours but the best conditions are early in the morning. They use two 32-foot Anderson boats with a swim step at the stern. Safety of our passengers is their first concern and will begin every tour with an informative safety briefing. People may bring their own mask and snorkel, however, fins are not necessary, masks and snorkels are provided. You will see Sharks that range in size from five to fifteen feet. These sharks will often be inches away from the cage and the spectators inside.

Their boat will take you offshore approximately three to four miles offering great views of the North Shore and crystal blue water. Once at their location, the shark cage is placed into the beautiful cobalt blue water. The visibility is so good (often 200 feet or more) that you can actually see the sharks come up from the deep.

The cage can hold two people very comfortably. People are encouraged to bring underwater cameras because they will be able to get some of the best photographs of Hawaiian sharks possible anywhere.

This Shark Adventures Tour has been featured on the BBC, ESPN Outdoors, Canadian Wildlife Television, Wheel of Fortune and The Travel Channel. People from around the world, including England, Ireland, New Zealand, Australia, Japan, and from almost every State in the mainland have enjoyed the tour. Some of the people that come on the tour have never been in the ocean before. Many of people come with a phobia about sharks. After our tour their inhibitions and fears disappear and they have a greater respect for sharks and their beauty.

**Cost: Boat Rider \$60 per adult, and \$45 per child**

**Snorkeler is \$120 per adult, and \$85 per child**
